

AMULYA GANJI

Computer Science & Engineering Student

Phone : +91 7981591093 Email : ganjiamulya666@gmail.com

Address : Nalgonda, Telangana, 503218

Computer Science student skilled in Python, Machine Learning, and Web Development, seeking an entry-level software role to build scalable and data-driven solutions.

Education

- Vignan's Institute Of Management And Technology For Women--Hyderabad-CGPA-8.5%
 - Bachelor of Technology -Computer Science and Engineering (2022-2026)
- Naryana College-Hyderabad
 - Intermediate-94.4% (2020-2022)
- SS High School of Learning-Nalgonda
 - SSC-100% (2019-2020)

Certifications

- SAWIT.AI Learnathon – GUVI | AI certification for innovation and real-world applications
- Python Programming Intern – CodSoft | Hands-on experience in Python projects
- Power BI Certification | Hands-on workshop on data visualization and analytics
- Python Programming Certification – Simplilearn
- Front End Development (HTML) – Great Learning Academy
- Data Analytics Job Simulation – Deloitte (Forage, May 2025)
- Introduction to Artificial Intelligence – Onwingspan (June 2025)

Computer Skills

- Core Languages: C, Python.
- Web Development: HTML, CSS.
- Development Tools: GitHub, VS Code, Google Collab.
- Visualization Tools: Power BI.

Projects

- **Resume Builder Web Application** - Developed a responsive resume builder with customizable templates and real-time preview, enabling users to generate and download professional resumes in PDF format.
- **Hand Gesture Recognition Web Project** - Built a real-time hand gesture recognition system using JavaScript and computer vision to detect and interpret hand signs via webcam.
- **IPL Score Prediction System** - Developed a machine learning model using Python and Scikit-learn to predict IPL scores through data preprocessing and regression analysis.
- **URL Shortener Application** - Created a Python-based URL shortener using TinyURL API with input validation for efficient and reliable link generation.

Languages

- English
- Telugu
- Hindi
